

**FOREVER ANGELS
BABY HOME**

**FOREVER
ANGELS
NEWS:**

* Our first Forever Angels child has already been reunited with her family! Kennike, a 3 year old girl, was found on the streets by the police. She was taken to Social Welfare and then placed at Forever Angels Baby Home. She stayed with us for 4 days and was an absolute joy. Thankfully, after the weekend, her father came to collect her. It seems that her mother had gone into labour and in the excitement, Kennike had been sent to stay with her Aunt - but had got lost on the way. She is now happily reunited with her family.

*Forever Angels Baby Home has now employed a cook. Eleanorer is an excellent chef and is spoiling the staff and children with all sorts of African, Italian and European dishes, as well as delicious cakes and biscuits ...which are a big hit with the children!

An Amazing Fundraising Evening

An amazing African Fundraising Evening was held in Sandbach Town Hall on Saturday 23rd September and managed to raise a staggering £4,000 for Forever Angels Baby Home.

The evening was thoroughly enjoyed by all who attended - and several African acts made the night just perfect. The Bethany Orphanage (also based in Tanzania) brought 30 children to sing at the African Night and they filled the hall with their amazing voices and dancing - and brought smiles and tears to the entire audience. Bob Tiger, an African Dancer also entertained the crowds, as

did the Malbank School's Drummers, Nantwich Young Voices Choir and Singer / Songwriter Tim Lee.

An excellent selection of food was served and an Auction, Tombola and Disco finished off the evening - which was wonderfully compared by Karen Retford.

Huge thanks go to everyone who came to support the evening and to all those who

helped to make it the huge success that it was—in particular thanks must go to Val Lithgow and Karen Retford for their immense hard work during the night but also in the preceding months.

Update : Yunisi's First Month at Forever Angels

Yunisi - Our First Forever Angels Baby

Yunisi, aged 21 months, was our first Forever Angels baby. When she first arrived she was very quiet and reserved and had numerous skin and stomach infections.

She was a fussy eater and did not speak.

Now—just 6 weeks later, Yunisi is a true little angel! She is a very happy and healthy little girl and has been cured of her many infections. She is gaining weight nicely and is a great eater. She loves singing and dancing and always greets us with a huge laugh and smile.

Yunisi's Grandmother has already been back to visit her twice and both times they were extremely pleased to see each other.

We are very hopeful that her Grandmother will take Yunisi back home to care for her as soon as she is able.

We believe that all children are born 'angels' - innocent, beautiful and able to 'fly'. Unfortunately we witness many babies in Tanzania with such poverty stricken and unfortunate backgrounds that the angel within them will never be seen. We want to give every child in our care a secure and loving beginning so that they are able to 'grow wings and fly'.

We'd like to express our deepest 'thanks' to all the generous people who have helped to make Forever Angels what it is today - THANK YOU.

Forever Angels Children:

Forever Angels Children - Clockwise from back left—Yohana, Yunisi, Pascal and Sarah.

These are the adorable children who are currently being cared for at Forever Angels Baby Home. All of these youngsters have been either orphaned or abandoned and were desperately in need of a loving home.

They now have such a home at Forever Angels, where they also receive nutritious food, excellent medical care as needed, structured play activities, but most importantly, a whole lot of love.

Forever Angels Newest Angels:

Asha Gift - 3 months old

Asha Gift and Mia Imani are our newest 'angels' bringing our number of children to 6. They were both abandoned and have lived at the Government Hospital since they were found. They are both available for adoption so we are working with Social Welfare to find 'Forever Families' for them.

Mia Imani - 2 months old.

Sponsor a Child

We are looking for people to 'Sponsor a Child' on a regular monthly basis. The total cost of care for one child for one month is approximately **£50**, but any donations will be gratefully received.

Where your donation goes:

- £5 a month would cover a child's medical expenses including childhood immunisations.
- £10 a month would feed a child for one month.
- £30 a month would pay a nurse's salary to care for the children.
- £50 a month would cover the cost of total care for one child for a month

You can now make donations online through our Just Giving account. They offer a very simple online service allowing you to donate one off or regular donations to Forever Angels or organise a sponsored event on our behalf.
